otes:

The above financial results were reviewed by the audit committee and approved by the Board of Directors at their respective meetings held on 29.05.2015 and the same have been audited by Statutory Auditors.

The figures for the last quarter for the current and previous year are the balancing figures between the audited figures for full financial year and the published year to date figures upto December, 31st 2014 of the respective year.

The Company operates in Major business segment of Steel Manufacturing and hence reporting under AS-17 is not required.

Manufacturing and hence reporting under AS-17 is not required.

The Company from current year has revised the method of charging depreciation based on the useful life of its various tanglable assets as prescribed in Part 10 of Schedule If to the Companies Act, 2013. As a result, depreciation for the year ended 31st March, 2015 calculated on straight line method has been reduced by Rs. 5.13.40,175/-, as a consequence of which the depreciation reported in the reporting quarted depicts a negative figure in comparision to the depreciation reported in the corresponding nine month ended 31st December, 2014. Similarly in the case of those tangible assets, whose useful life has been completed as on 31st March, 2014 the carrying value (net of residual value) of these fixed.
